

Enterprise Support Project Information required for your application

B.V. and N.V.

For your application with the Enterprise Support Project, please provide us with a copy of:

- Chamber of commerce excerpt
- Tax registration indicating your CRIB number
- Business license and/or any other permits required for your business
- Shareholder registry
- IDs of all managing directors and shareholders
- The completed Supplemental Form
- Financial statements of two (2) most recent years
- Financial projections for a minimum of three (3) years
- A business plan detailing how the financed assets will generate positive cash flow*
- If requesting financing for assets or repairs:
 - Quotations for the items listed on the form for the purchase
 - Two additional comparison quotations for the items listed for purchases above US \$2,500.00
- Certificate of Good Conduct, also known as Verklaring Omtrent Gedrag (VOG)
- If you have face to face contact with clients, please share your COVID-19 management plan. Guidelines from the Government can be found [here](#).

*Credits has their own [business plan template](#) for this. If you are requesting for financing through another bank, you may also use [our template](#).
