

Enterprise Support Project Information required for your application

B.V. and N.V.

For your application with the Enterprise Support Project, please provide us with a copy of:

- Chamber of Commerce excerpt
- Tax registration indicating your CRIB number
- Business license and/or any other permits required for your business (A payment receipt for the license application may be sufficient, depending on the type of business.)
- Shareholder registry
- IDs of all managing directors and shareholders
- The completed Supplemental Form
- Financial statements of two (2) most recent years (not applicable for new MSMEs)
- Financial projections for a minimum of three (3) years
- A business plan detailing how the financed assets will generate positive cash flow*
- If requesting financing for assets or repairs:
- Quotations for the items listed on the supplemental form
- Two additional comparison quotations for the items listed for purchases above US \$2,500.00
- Certificate of Good Conduct, also known as Verklaring Omtrent Gedrag (VOG) – a payment receipt or proof of application will be accepted if the VOG has not yet been issued.

Qredits has their own business plan template for this. If you are requesting for financing through another bank, you may also use our template.
